III Facts

11. On March 18, 2019 Plaintiff Anthony McKinney and Friend Brent R. Houdeshell shared a Word Processor at the law library, LOCI.
12. Mr McKinney and Mr Houdeshell practiced law together both claiming Innocence in their criminal cases. Practicing out of American Juris Prudence, and other legal sources, privately.
13. In search for relief prior to March 18, 2019, Houdeshell had drafted documents, as McKinney assisted in this drafting of Personal Property, (ie., Common Law Copyright Hold Harmless and Indemnity Security from damage, Power of Attorney In fact, Negative Averment, Attachment "A" Definitions.)
14. Houdeshell paid Librarian/C/O Paddock via Pre-Paid Debit card for the documents mentioned above. C/O Paddock printed the Personal Property and handed the documents to Houdeshell without incident, problem or violation of Rule 17 or Policy, prior to March 18, 2019.
15. Houdeshell freely filed his instruments with government agencies, without incident and returned to Houdeshell through institutional mail at LOCI without incident.
16. March 18, 2019 Houdeshell and McKinney completed the same documents mentioned above in Mr McKinney's name in para 13
17. March 18, 2019 McKinney filed out a request form APPOTX 2:50 PM to C/O Paddock, requesting to purchase the documents referenced in Para 13 & 16 (ie., only McKinney's documents)

18. After giving C/o Paddock the Pre Paid debit card and the request slip to purchase the Personal Property (ie; McKinney's documents only). Paddock charged McKinney's Account and Printed the Material from LCI's Computer.
19. Paddock and another unknown C/o then entered the the portion of the law library where Haudeshell and McKinney shared a word Processor
20. Paddock and the unknown individual/C/o approached Haudeshell and McKinney. At that time both the UNKNOWN C/O and Paddock took up an authoritative stance, on approach.
21. Paddock and the unknown individual/C/o blocked Haudeshell and McKinney, as Paddock began to belligerently in a loud manner spout slurs in front of inmates and the UNKNOWN C/O. ("You Soverieshn Citizen's"), while Standing over top of Haudeshell and McKinney with arms folded and McKinney's Personal Property in her hands,
22. Paddock then yelled while agitated. ("You are not allowed to have Soverieshn Citizen documents") Paddock then handed McKinney his Purchase Documents Personal Property, and his Pre - Paid debit card.
23. Surprisingly and unexpectedly, without warning Paddock handed Haudeshell the same documents she previously printed and given to him Paragraph 13-14 She done this without request or request of Payment. She done this on her own will. And without consent.
24. The unknown/c/o gave the order for Haudeshell and McKinney to set up and come with him or else, as we protested against Paddock's claim, that "we are not no organization or sans, and the documents were Constitutionally allowed" Paddock did not write a conduct report, and Interfered with Inclemency.

25. Haudeshell and McKinney grabbed the rest of the documents they had brought with them, and followed the unknown/c/o escort to LT Shawn Frye office in the "KEYS" (ie; the name of an area in a building).
26. Upon entering Mr. Frye's office, Frye asked McKinney was he a "SC" (ie Sovereign Citizen). At that point McKinney stated he was not, that he was an innocent man in prison, fighting his way out.
27. Frye told McKinney to turn over the documents McKinney had in his hands. (ie; the documents Parkblock turned over to McKinney) Plus legal documents McKinney already had with him, (ie; Original Complaint from trial court OS-CR-10-7130, other documents from this case number, Federal Documents, Other Legal and Educational Material, State and Federal).
28. McKinney ^{told} Frye No, that the Personal Property belonged to McKinney. Frye became belligerent and agitated, the unknown c/o took up an aggressive stance by spreading his legs and grabbing or brandishing his mace weapon.
29. At this time Frye Demanding McKinney's Personal Property telling McKinney to shut up and hand over the documents or get sprayed (ie; mace sprayed in the face) and go to the hole.
30. Frye then proceeded ~~McKinney's~~ to take McKinney's Personal Property through coercion and/or threat of force. Searched and Seized looked and read documents, Confiscated McKinney's Personal Property, made a legal determination, labeled McKinney's Constitutional allocable documents ^{into}, and converted them to "SC" Documents see para 26 the exercise of Constitutional rights in to crimes, and or violation of Rule 17 in the form of contraband slip

31. While none of the documents were labeled by their individual names or titles or inventory, the contraband SLP by Frye did not cite the optional location where the Personal Property of McKinney was found (ie; law library). Frye's disposition was to place the documents in the STG box (ie; Security Threat Group). Ref. # LOCI 0319000690 Frye did not issue or write a conduct report.

32. On March 31, 2019 McKinney wrote a (~~I.C.R.~~) Informal Complaint Resolution, on the Computer Kiosk (ie; Inmates can only file grievances on the kiosk, and are only allowed to appeal, if the defendant allows them to, by uploading the grievance appeal form for the inmate to use, due to the paper forms being discontinued, as to where the inmate could request a paper grievance appeal ~~without~~ problem, or defendant controlling the process)

33. McKinney wrote the (~~I.F.P.~~) & Counter offer to (STG) where the Personal Property was sent # LOCI 0319000690. The Defendants were all put on notice through (I.C.R.). The Defendants did not respond to the (I.C.R.) And procedurally defaulted by not responding to the (I.C.R.) and counter offer.

34. On April 11, 2019 the (I.C.R.) escalated to Grievance (ie., the defendants failed to respond and forwarded the Plaintiff to the next step of procedure, grievance)

MCKINNEY ACCEPTED THE GENERAL ACQUIESCE, Defendants agreed to Mr. McKinney's terms and demands in reference to the fictitious charges # LOCI 0319000690 and contraband SLP. See LOCI -19-001823 for Date 03/18/2019 Rule 17 for fictitious charges.

35. The Defendants failed to give Plaintiff an appeal, even after inquiry by McKinney See #'s RCI 1219004383, RCI 0120000556, RCI 0120001146, See personal A/C

36. Withdrawal check out-Slip Feb/11/2019, to the Offices of Chief Inspector of Rehabilitation & Corrections 770 West Broad Street, Columbus Ohio 43222. Appeal request & Demand for documents. Note: It should be noted McKinney received no appeal from conviction of Rule 17, LOCI ~~6319000690~~, nor (ICR). It should also be noted that ~~none~~^{of the} documents with "refusal" was presented McKinney for his signature, except for the conduct report and a request for computerized signature for transfer, and was denied by McKinney. Defendants wrote refusal without presenting documents to Plaintiff. Note: It should be noted ~~that~~ that the defendant R Kummer did attempt to respond after he already procedurally defaulted, by making a side note "Disagree with Profile" in this context there is no re-counter and barred by res judicata. See Paragraph 33-34

37 Sergeant Mayer On 4/12/2019 app 10:55 Am ~~called~~ requested that McKinney come to his office in A-1. Once once in the office Mayer stated that to McKinney that he was being charged and requested McKinney to ~~to~~ sign a computer devise, that was not visible because the monitor was facing the direction of Mayer. (ie McKinney could not see what he was signing.)

38 After reviewing the paper document before McKinney (ie; the Conduct Report in paper form) LOCI-19-001823 03/18/2019, Violation Rule 17 (?) (?), issued by a Kummer R, written 4/9/19 given to McKinney 4/12/19, and the date of the alleged rule 17(?) (?) violation 3/18/19. At that time 4/12/19 McKinney made Mayer that aware and advised that he was in error and in violation of the law. That the conduct report was out of time (ie; approx 24 days after the fact.).

39 McKinney also informed Mayer that the conduct report failed to state a claim, was ~~vague~~, that it failed to cite a subsection, (ie; failed to cite the letter and number it was charging under), that it lacked notice of the specific charges, failed to cite the location of the incident, (ie; the Law library). See Contra band slip also. The charging official did not write the conduct report, ~~or~~ and did not ~~sign~~ it. Sign it, (ie; C/O Paddock), the creator of the incident.

40 McKinney wrote a (I.C.R.), 4/13/2019 LOCI #04190002418 giving notice to defendants, and McKinney made a reservation of his rights, without prejudice, to all subject related herein, and to challenge this defective conduct report that ~~lacked~~ process service. McKinney hand delivered the conduct report,

41 As "Non-Assump't", Return to sender. See Exhibit 4 Attached.
LOCI 04190002418 4/13/2019

42 On 4/18/2019 (R. Kammer) Respond to the (I.C.R.) and wrote, "All questions pertaining to the process of a conduct report can be answered in S6-DSC-01." Kammer cited OORC Policy Concerning "conduct Report and hearing officer procedures", but did not address the specific OORC Policy, of the alleged violation by the inmate McKinney/ Plaintiff.

43 Kammer violated ~~to~~ S6-DSC-01-Procedures VI (B) (3)-(4), S6-DSC-01 VI (D)(1)(a)(b)(d)(e)(g), OAC Ann. S120-9-07 (B) ~~(E)~~ and (B)-(1). Up until this point OAC Ann. S120-9-31 (A), is violated 4/12/19 - 2/23/19 or until the expiration of this civil action. ~~Also~~ Also See violations in Para 39.-40

44 Kummer did not give the name and titles to the documents individually, he gave a vague description "sc" documents. Kummer did not cite the ~~the~~ subsections of the alleged violations, he gave a vague description of ~~the~~ Rule(s) violated: 17;

Engaging in unauthorized group activities as set forth in Paragraph (B) of rule 5120-9-39 of the Administrative Code. ~~Continued....~~

45 This ~~vague~~ description lacked "adequate notice" of a specific charge, failed to give sufficient facts, and cite the location of the incident (ie; Library) also (See contraband S14P) lacked sufficient process of service, Conduct Report out of time. The maker of the Conduct Report, the charging official, the officer who alleged the rule violation, did not write, draw up the conduct report, did not sign the conduct report, and did not testify. Kummer violated due process also. Also failed to forward McKinney to the Grievance and Appeal process though Computer Kiosk.

46. On April 18, 2019 McKinney was called from the bed area to the Correction officer desk in housing unit A2. The officer stated the R.I.B board was looking for McKinney all day. The C/O stated McKinney needed to ^{sc} go there before he got himself into more trouble, before the yard closed. McKinney was surprised and compelled under threat. McKinney did not receive 24 hour notice.

47 McKinney Crossed the Yard and entered the R.I.B. Upon involuntary arrival, McKinney Immediately Objected before the R.I.B agent cited a case # McKinney objected and entered a Special appearance on the record. Also put the board on notice that it lacked Subject matter Jurisdiction and Personam Jurisdiction

48. McKinney also put the board on Notice that an agreement had already been reached between the parties by operation of law. LOCI 0319 000690 Then ^{he} asked about the contract, and McKinney then clarified his position and asked him was he an agent for LOCI and he answered "Yes". McKinney then told him that he was on notice. Notice to the Principal is notice to the agent, and Notice to the agent is notice to the Principal. At that time an

49 At that time an unknown C/G had come from behind and aggressively grabbed McKinney, placing him in handcuffs, making threats and Hostile and Controlling McKinney's body while he was acquiring information from the agent. At this time the unknown C/G ~~stated~~ Started that "this is not a court room" McKinney told the C/G that "this is not a court room" because he was referring to State his name for the record, because he was inferring and making threats. The C/G started he would not and put McKinney in a ~~holding~~ cell(holding cell

50. After McKinney was placed in a holding cell, and stripped of his clothing and legal notes, McKinney was searched while naked, and made to bend over and lift and spread private parts for the officers to examine for contraband, this search was an illegal search and seizure. Nothing of contraband was found.

51. McKinney was also ridiculed, slandered and defamed by Passer byer CIO's, and including case manager the case manager in the LPH/Hole who ~~ESM~~ requested McKinney to certify his transfer based on a security review. They all called Mr. McKinney "Sovereign Citizen bull sh*t Mother Fucker" "Ah ha he don't know how to talk" "He's a gang banger"

52. The R.I.B hearings officers, did not assert aavire or rebutt the lack of jurisdiction claim by McKinney. The hearings officer never contested the contractual agreement. The hearings officer's acted without evidence when evidence was required or made a decision contrary to all the evidence, is the same as much failure to take steps to Aavire Jurisdiction at the best of a proceedings

53 Because Defendant-Debtor's Hearings Officers proceeded with out Jurisdiction, if they were required to allow the witnesses to be called, and to present a defense, the right to be heard, Due Process, Violated OAC Ann. S120-
~~4-07(c)(1)~~ OAC Ann. S120-~~4-08(c)(D)-(E)(1)(2)~~
~~(2) f-~~(2)-(d) (E)(2)(d)-(M)(1)(2)-(O)(1)

54. The Defendant - Debtor's Prevented Mr McKinney from honoring his obligation to give credit as agreed upon in the contractual agreement LOC# 03190000690. The defendant's first breached the contract, when Plauchs the Plaintiff - in LPH/Hole, and officials failure to respond to grievance.

55 The Plaintiff countered offered in Place of defendant's extorting or exaction from the Plaintiff Collected through false /~~fictitious~~ Fictitious contraband Slip & Conduct reports that are ^{to} unable to tell what the charge is exactly in Personam, Service in LPH/Hole; or Unjust Enrichment (ie; Collected From Service in the Hole) Imposed and Enforced by Prison officials R.I.B and Defendants.

56 This Pecuniary Equity Extracted from McKinney is a Violation of Due Process and ~~Constitutional~~ Constitutional laws of the U.S.C. Amend. And the failure to Provide due process, Prisoners have no right, or ~~is~~ guaranteed Immunity from being falsely or wrongly accused of conduct which may result in the deprivation of a protected liberty interest, thus as long as Prison officials provide ^{Proper} Procedural Process requirements, Defendants failed to do that, Due process.

57 Because McKinney had no bargaining power, because ^{false} of the ~~Various~~ Charges and No Due Process, McKinney offered credit in Place of extortion, without Defamation, Slander, Libel and Social Stigma Coming Upon him. Fed R 8(e) breach of Contract or/and unjust Enrichment ~~in the~~ or the account is due for services rendered. The case is ripe for JURY Trial (Demand). "Special Damages" caveat

58. McKinney gained Bars in his Power, and his status as the Secured creditor, during the attempt to extort through false and vague charges, and the denial of due Process. McKinney could not challenge phantom charges Engaging in unauthorized graft activities, these appear to be gang related charges. The charges also appear to be about Gang related documents. There was no way to know without the charge and subsection and Number.

59 Therefore Defendants could have banded around from charge to charge to charge, had McKinney challenged the false vague charges. Adequate Notice was denied to McKinney, and Due Process was denied. Thats why McKinney made a Counter offer and defendants agreed. Thats why McKinney challenged Jurisdiction and made a special appearance. Defendants Defaulted Administrative process and failed to give McKinney any of his appeals, Summary judgment is in order here or Jury Trial (Demand)

60 The defendants are Responsible for converting Constitutional Rights into crimes, i.e; Common Law Copyright, Hold Harmless and Indemnity, Power of Attorney In fact, Negative Averment Fed R. S. Attachment "A" of the law. McKinney is forced to choose between Constitutional rights and false vague policy, the appearance of policy. And the defendants ~~violated~~ violated McKinney's rights for filing Grievances, Defendants retaliated for US's rights or exercising Constitutional rights, when drafting documents cited in para 60.

61 Note: It should be noted that the Plaintiff was entered into the hearing officers Report, see Attached Attached due to McKinney's challenging Jurisdiction; The Hearing officer Mayes left the conclusively left the boxe's blank for lack of Jurisdiction. McKinney again asserted and Exercised his Rights and made a Special Appearance in front the PIB, challenging Jurisdiction asserting an Agreemnt was already made, ~~he board~~. The board did not ask McKinney to admit or deny the allegations, or Plead Guilty or Not Guilty. The board checked the Not guilty box, made a ruling without evidence, and failed to show it had Jurisdiction. See Exhibits attached, and Improper Receipt of Evidence usurpation of Jurisdiction.

62 Due to the ~~breach~~ breach of contract, first breached by the defendant-debtors, must release Plaintiff from custody, return the Personal Property, Purchas, Release Riddick from her Job duties from LocI/ODRC. Release Mike McNee and co-worker Inmates from Job duties as Law Library Clerks. ~~&~~ Increase more time in Law library. Turn over original copies of Informal Grievance Processes and COPY of decision made by the alleged legal Board. However McKinney gave Credit Sentence to 90 days LAD and the Conduct Report Rule 17(7)(3) fails, as invalid. LocI-19-001923

63 Even if the Contract were not valid McKinney still rendered Value/Credit/Services to defendant-debtors and is thus entitled to recover in (Quantum Meruit)(unjust enrichment)(Quasi Contract)(Contract Implied in law)(Contract Implied in fact)(Restitution) for the Value of his performance. (ie When servs time in Hole/LPH) Fed 8(e)

64 If not the defendant - debtors has subjected McKInney to Slavery or Involuntary Servitude.

65 McKInney can recover for the 90 days Service or Slavery, expenses and losses, nominal damages compensatory damages, and punitive damages plus \$ 200,000 a day for each day Defendant - Debtors took McKInney's Liberty and Property as Security for some Presumed Value, false, fraudulent, Extortinate, ~~Purposes~~ Violation of Policy, Purposes. See Rule 8(e) For Alternative Pleadings, as relied on in this complaint.

66 On 4/18/19 McKInney was placed in the Hole/LPH. As there is no evidence of where McKInney's Personal Property was, 2 Legal boxes 4.8, including Legal Papers and books, typewriters and other Legal Papers at the end of his rack. All was lost because of lack of 24 hour notice to RIB. The defendant's violated due process by not giving McKInney an opportunity prepare a defense make arrangements for possible departure, handle affairs, pack up legal documents and/or sort out what he needed or not.

67 On 4/19/19 LOCI - 19-001957 is the date conduct report number it was cited for the first time that SOT B. Preston was in possession of McKInney's 4.8 2 Legal Locker boxes, Legal Papers, Legal books, and Legal Documents at the end of the rack. Preston Packed #[#] McKInney's Personal Property 4/19/19. This Pack-up was conducted on McKInney's 4.8 Personal and General Property by Preston himself, without McKInney present, and McKInney being

68 Placed in the Hole/LPH, and no Notice. Defendant Preston alleged McKinney was over the 2.4 limit. The Defendant did not record a Property Receipt or ~~or~~ write a contraband slip and turn it over to McKinney. McKinney was given an extra locker box by unit manager Ms Carter, because McKinney qualified, & due to active litigation in the Courts, he received an extra 2.4 equivalent to 4.8 space for ~~legal~~ legal materials.

69 Preston committed theft when he took 2.4 of the 4.8 space of legal space ~~containing~~ mckinney's legal book and legal documents. He done this by taking 2.4 space, picking General items ~~of~~ over personal legal papers and books outside the presence of mckinney. Preston was aware that he was in violation of the law, because the box had a document drawn up by Ms Carter that represented McKinney was entitled or allowed to have 4.8 2 locker box's. This document was attached to the box. By Preston having notice and still took 2.4 of legal space off the top, where legal books and ~~of~~ Legal papers occupied that space; and placed general

70 Property over Court Legal Papers. making denial a legal determination. And denial to access of the Courts, conspired to deprive rights, deprivation of rights, and extortion of rights, and theft. Had McKinney had adequate notice, McKinney would have packed his own property up, and would have chosen personal legal papers over any clothing, food, TV, Shoes, or general property. Due process was denied, notice and the right to defend were violated. Defendants committed theft & Larceny.

71. The Defendants including Preston did not give notice of the specific charges in Conduct Report LOC I - 19-001957. Preston cited Rule: 51, "Possession of contraband, including any article knowingly possessed which has been altered or for which permission has not been given." Defendant did not cite Subsection Letter and number, ~~¶~~ Place of the incident, did not describe what occurred, or state supporting facts. ~~¶~~ Defendants Implied Receipt of Evidence, when he failed make a Property Record - Disposition and Receipt of McKinney's Property.

72. Defendants Conduct Report is vague and failed to give specific notice. The defendant claimed he conducted the pack by "himself" or by himself due to McKinney being over the limit in ~~possess~~ Property. Defendant Preston did not say "due" to McKinney being in the Hale. The defendants claim is vague, and there was no facts or rule violation to give McKinney specific or adequate Notice of charges, or why McKinney's Personal Property was packed up. One can assume but adequate Notices required. McKinney had permission to have 2 locker boxes.

73 The Defendant did not show any evidence of McKinney being over the limit, and did not show what was not packed up, and failed to show notice, and did not allow McKinney to be present, in violation of due process. The Defendants lacked Subject Matter Jurisdiction, & Personam Jurisdiction. And usurpation of Jurisdiction.

73 Defendant's Stole all of McKinnel's Legal, Educational and General Books. Retaliation Conspiracy against rights & Deprivation of rights under color of law.

74. On 5/15/19 ~~Mr~~ Mr McKinnel was still being given Compelled Services in the Hole, when he was packed up. Civil inventory, again, in Violation of Due Process, without a conduct report, a contraband strip and having violated ANY rules or Policies. Defendants retaliated, Conspired to deprive rights, deprivation of rights, theft, Larceny, Violated Due Process, Failed to give notice and denial of access to the courts, McKinnel again was not present, and was not presented with a receipt until 5/16/19 the day of his illegal transfer from LOCI to RCI.

75 McKinnel refused to sign the receipt presented to him by unknown STG Agent. The receipt appears to not have a signature but initials appear to be O. B. C. dated ~~5/15/19~~ 5/15/19. See Attached. The receipt listed items that were not in the pack up. The pack up only contained 2 small bags of legal papers. It was missing more than a box and a half of books and legal papers. There were no books as the receipt labels. The STG Agent ~~asked~~ The Agent asked the receipt labels. The Agent ~~asked~~ The Agent asked McKinnel to sign before ~~see~~ seeing the pack up,强迫性地

75 McKinnel refused and then the unknown STG Agent Presented the two small net bags of legal papers. And then an unknown agent took the 2 small bags out Side ~~to the~~ and based upon information and belief he took the bags and did not put them on the bus.

76. The STG Agent, wrote on the receipt under the "contraband" word "Contraband" 2 Bags legal work. This made the last of McKinney's Personal Legal Documents Contraband. Again punishing McKinney without Due Process, Notice and the right to defend, retaliation, Conspiracy to deprive rights.

77 On 5/16/19 McKinney was transported from LOCI to RCI and receiving his property the two small legal bags were missing once at RCI. The CO told McKinney if he did not sign the receipt he would not get his Soap, Shampoo, Shower shoes and other hygiene items. McKinney signed without Prejudice to reserve his rights to challenge the missing Legal Personal Property. CO S.Greson ~~not~~ wrote in the "contraband" area "Missing Legal mail 5/16/20 A S.Greson."

78 Again McKinney's due process was violated. McKinney was also placed back in the hole upon arrival at RCI.

79 On or about 6/18/19 McKinney exhausted filed administrative remedies at RCI to RCT RCI and LOCI and about legal documents Incident # RCI 05190006418 D Blackwell responded

79. On 5/24/19 McKinney filed his administrative remedy, Informal Complaint, at RCI concerning all of his property, missing, Legal Documents. RCI & LOCI procedurally defaulted defaulted by not responding to the informal complaint, a normal practice of defendant's. Defendants allowed McKinney to move forward to grievance 6/4/19, McKinney ~~responded~~, completed grievance, 6/18/19 (D. Blackwell) from LOCI

80 responded to the RCI grievance and not an RCE grievance. LOC I's Blackwell stated that he was in receipt of McKhney's (NOS) Notice of Grievance regarding two small boxes of property when McKhney was transferred from LOC I to RCI on 5/16/19, that McKhney did not state what was missing. That McKhney needed to be more specific as to what is missing from his property. That he needed a property receipt. That he had nothing to say, and the NOS is denied. (Blackwell failed to address the 4, 8, 2 ~~Lesai Boxes~~ two Lesai Boxes.)

81 6/18/19 (Closed Inmate Form - Disposition: Denied)

ON 6/19/19 Defendants allowed McKhney to move forward to appeal - Escalated to Appeal. McKhney wrote: "for this administrative remedy is exhausted."

ON 9/13/19 (A. Lee) wrote: (Additional time needed)

ON 10/8/19 (A. Lee) wrote: (Affirmed)

ON 10/18/19 (closed inmate form - Disposition: Affirmed)

82 ON 6-13-19 McKhney's Property was transferred to MACI and then transferred to RCI on some unknown date, the receipt was found by McKhney in his property when he was called to retrieve a small portion of his property on 6-19-19 or 7-30-19, ~~so~~ More than likely the 7-30-19 date. The 6/13/19 receipt showed (Legal mail)(2 bases of Legal Books)(RA) Reasonable amount. (2 Trimmers)(10 Beverage)(15 Cake & Pastries) (20 Coffee)(10 Seafood) This receipt was found in ~~a~~

83 Some other legal property was Mckinney was called to pick up at R&D either on 6-19-19 or 7-30-19. To be clear Mckinney did not receive none of the property from the MacI 6/13/19 receipt found by Mckinney on 6-19-19 or 7-30-19, but only found this receipt in later transferred property.

84 Based upon information and belief, Mckinney believes that the 6-19-19 or 7-30-19 packs was ~~one~~ the 6/13/19 ~~packs~~ pack from MacI sent to RCI Agents ~~intercepted~~ (ie intercepted) by RCI Agents, sorted through, stole, theft larceny. Mckinney believes this taking of property by RCI Agents took place days or hours before Mckinney arrived to pick it up. Could have been weeks. The RCI agents blew their cover when they failed to get rid of the MacI receipt, 6/13/19. Note: (Mckinney has never been to MacI). But his property has, by ~~RCI Agents~~, sent to ~~MacI~~, been sent to MacI in retaliation by ~~RCI~~ Agents.

85 The day Mckinney found the MacI Receipt, ~~6/13/19~~ is the day the person, RCI agent turned the property over to Mckinney 6/19/19 or 7/30/19, that agent made a new receipt, not knowing he had given Mckinney the MacI 6/13/19 receipt inside the ramshaked property. At that point Mckinney was going through his property looking for certain items to see what he could find. Found evidence that atleast there was a Black's Law dictionary ~~was~~ in there at one

86 Point and time, because torn Pages were present in this particular Pack. Also Admiralty Admiralty Pages from American Jurisprudence book was found (RCI Agent requested McKinney sign a new receipt)

87 McKinney was either called or given a Pass to so retrieve Property on dates 6/19/19 and 7/30/19 on several occasions

88. D. Blackwell, A. Lee Warden Robinson Warden Warden Morgan, RCI, LCI and its agents, knew about McKinney's property but on file record claimed to not know of this property, when they were the one's controlling the property. The Defendants touched, searched, seized, Stole, Packed up ~~the~~ McKinney's property more than Seven (7) times, in one transfer of McKinney from LCI to RCI (eg: there should have been one pack up, ~~as~~ for one transfer) Not ~~one~~ 7 pack ups for one transfer

89 The receipts and Procedural and Evidence is exhibited. The Defendant-Debtors conspired against rights of the Plaintiff, Conspired to Deprive rights under the color of law, Denial of access to the courts, Prevented Plaintiff from Due Diligence in his criminal case 05 CR-10-7130 ~~from~~ that he is innocent, Prevented McKinney from gaining a higher status than inmate, for his benefit. Defendants has increased McKinney's security level and added a social stigma of a gang member and ruined his reputation Good reputation in Prison and Society. And Retaliated on McKinney. ~~and~~ cruel and unusual punishment, ~~the~~

90. The defendants has Prevented McKinnel from raising his constitutional violations in Criminal case OS-CR-10-7130 By destroying 14 yrs of legal research, theft, holding legal materials.

91 McKinnel would have raised Prosecutor misconduct for violation of confrontation and the right to confront his accusers, When the Prosecutor argued that he was not offering Officer Brian Jacksons testimony for the truth of the matter asserted, when Counsel objected and requested a limiting instruction. The Prosecutor then disguised Jacksons hearsay testimony by referring to him and using the title (the first officer on the scene), So that ANY Suspecting Jury, Defendant or listener, or counsel would ~~not~~ know that he was in-fact relying on Jacksons hearsay testimony, about "a fat black male with dreads"

92 From Some Unknown Phantom out of court witness, At which the Prosecutor relied on another witness testimony by the name of Terrell Cris who was a witness of the events and not the shooter, who also gave a self serving description of a "fat black male with dreads" that no officer corroborated that Cris gave this description, If there was an officer he is unknown also, and a phantom, just like Jacksons Phantom witness.

93 Had defendants not interfered McKinnel would have argued that Jacksons Phantom witness and Cris's Phantom officer violates the right to cross-examination.

94 McKinnel would have argued for a new trial and actual innocence. That the Prosecutor violated Confrontation and cross-examination, when he argued for the first time at closing arguments the officer Briton Jackson was "the first officer on the scene" and Terrell Craig was the Phantom witness that gave Jackson the description. McKinnel would have argued also that the Prosecutor violated Confrontation because he argued ^{during closing arguments that} McKinnel was guilty because he matched ^{description} the description offered by Jackson, that it matched Craig's.

95 By the Prosecutor ~~arguing~~ that McKinnel is guilty because he matched the descriptions Jackson and Craig gave, this leaves the Phantom witness unknown and the Phantom officer unknown. This leaves McKinnel open to violations of his Confrontation rights. And allows the Prosecutor to use Circumstantial Coordinated hearsay ~~as Identifications~~ descriptions as identifications.

96 McKinnel would have argued this allows the Prosecutor to proceed without an out of court identification; and to interchange the word description for the word identification a trap for the weary jury, or the unsuspecting, weary witness who believes his description of a person is an identification, and vice versa for the jury, believing the description is an identification, when in fact its not.

97 This allows detectives/officers to gain descriptions from witnesses for any reason, without identification, and allows officers to adopt descriptions of suspects in custody, there custody, ~~of the~~ witnesses who in there custody, who from

98 Give a description of suspect's in there custody without identification, Create the description from the appearance of the suspect they have in custody, or Imagine or create a witness, who gave the description of a suspect a officer has in his custody, without identifying the witness who gave the description for the purposes of matching the description, from the unknown witness, to the witness in-custody description, to later say the witness in-custody is also the witness the unknown witness the officer created in his mind, that both witnesses are one in the same.

99 Without identification or cross-examination, for the prosecutor ^{to later} give that the defendant is ~~safely~~ ~~the~~ description ~~match~~ offered because the descriptions match (ie; the artificial construct created in the officers mind the UNKNOWN witness description, and the witness in-custody description) with the added effect of the officers or detectives, telling the witness in-custody we found G.S.R on the suspect's clothing, Coercing the witness in-custody to make a later positive identification based on the presumption, unreliable prejudicial evidence, (ie; it had to be him) because G.S.R is on his clothing, without a positive identification, unaware G.S.R sites of false negatives and false positives, relies on the presumed G.S.R in place of eyewitness identification

100 The Defendants have ^{made} the exercise of constitutional rights to become an offense, rather ~~than~~ than an opportunity to become convicted. And have become offended and defensive and has brought accusations against McKinney, who has

101 brought correction by exercising Constitutional rights but has exacted upon him some trespass or violation of those rules they have amplified and accentuated to shadow their own ~~transgressions~~, conspire to deprive McKinney's rights.

102 The Defendants has exploited all ~~at~~ McKinney, strategies, defenses, Personal Legal Property, evidence, and ways of getting out of Prison. Taken 14 yrs of research, read all his mail taken his own research material, taken away ~~idle~~ time for in the law library, Prevented and has stopped him from getting law books through the mail, with difficult burdens of showing a receipt. Random shake downs destroying and placing legal property completely out of order, taking away months of preparing a proper action, hiding behind its Immunity.

103 Putting or keeping McKinney in a cell without a light so he cannot file and prepare proper legal papers, ~~the~~ ~~st~~ ~~been~~ preventing McKinney from showing due diligence in the criminal case, which might hurt his criminal case, has prevented McKinney from getting expert testimony, and preparing it. Defendants has stopped McKinney from showing how the Prosecutor ~~can~~ James Mayer and Zach Scott Et.al how they committed felonies and fraud. McKinney would have demonstrated how the Prosecutor stated Jackson was not going to be used for the truth of the matter asserted because McKinney trusted the Prosecutor, that he would be truthful.

104 that he would not use Jackson to corroborate and identify -
fication, which he did, and made it complicated to meet
an ~~fixed~~ deadline, discovered ~~any~~ Constitutional Violation
concerning Jackson and Terrell Davis, because of the compi-
lation of this issue, and the Prosecutor falsely mislead
McKinney, Coordinated ^{by} Zach Scott's creates an identification
out of circumstantial evidence bootstraps reliability, ushers
many hearsay witness! Deceptively with intent. To show this
would take more time, and much time ~~that~~ it has taken
including the acts by defendants, which prevents McKinney from
demonstrating this. McKinney must focus on defendants right
to prevent continuous collateral attack.

105 Defendant's has prevented McKinney from presenting his
Double Jeopardy claim back to the trial court or ^{Habeas} ~~Habeas~~ etc...
McKinney would have been successful had he had an
opportunity to present it. See CV No 2:14-cv-1992 Magistrate
Kins stated "This court likewise concludes that petitioner's third
claim - that his convictions should have been merged in accord-
ance with Ohio's law on allied offenses of similar import
and the Double Jeopardy Clause - a federal issue appropriate
for review in these proceedings."

106 McKinney would have likely ~~so~~ been successful on his
Confrontation claims, one McKinney would have argued and
presented that the Prosecutor argued during closing McKinney was
guilty because he match the description offered by the unknown
~~witness~~. And other confrontation claims, the trial
court abused its discretion, allowing hearsay testimony in
place of Carmen Carlene Evans

107 Defendant's at RCT Violated McKinney constitutional rights when it gives McKinney ~~approx~~ and other inmates ~~to~~ APPX 16:15 ~~hr~~ a month to research ~~and~~ file legal papers. When at LCI McKinney received 25:30 hr a week See JAY Par 3/18/19. This is not enough time to research and file an legal paper properly. Defendants also

108 requires McKinney and/or Inmates to physically show ~~physically~~ by documentation that they have a deadline, or they can not get more ~~library~~ the law library time. Even if federal Law Statute of Limitations begin to run automatically from the day of an incident, Defendants will not cooperate or follow federal law. ~~Denies~~ Denies McKinney access to the courts and Inmates alike. Defendants also

109 On 8/27/19 ~~Announced~~ JPay Representative/RCT Announcement received from ODCR Assistant Chief Counsel regarding book orders: Defendants violated McKinney's right to ~~access~~ access the courts, by not allowing donated books from approved vendors, to a specific inmates. That if sent to a specific inmate and not donated to the institution RCT will not accept the books. ~~Materials~~ Printed Material may not be received without prior approval. Inmates cannot receive books from approved vendors that give free books to inmates including Doris Press, Redbird, Appalachian Book to Prisoners Prisoners.

110 The Defendants Stated in the 8/27/19 JPay Announcement "Books from Vendors - Pay attention to this - it's a big change from what we do now!"

III. The Defendants made b's change by not putting it on the books or in Policy, or Administrative rule, and didn't give notice and violated due process.

112 The b's changes are burdensome and denies Inmates access to the courts, by going from an approved vendor to an approved visitor, but the books and materials have to come from an approved vendor. It just can't come from an approved vendor. And the approved visitor can't just send the book.

113 The defendants claim the b's change, that the books are subject to review, the printed material must be directly sent by publisher and the package must have, include, ① a receipt, ② a order number, ③ the items purchased ④ the person who purchased them. Defendants claims this is the b's issue. Because 75% percent of the books that come in don't have a receipt. That majority of Amazon's books don't have receipts. Defendants emphasizes to remind family/friend that if orders from Amazon, it has to have a receipt. Defendants also sites tips,

114 Defendants states, "Helpful hint -- Barnes and Noble always ~~sends a receipt~~ sends a receipt."

115 The Defendants Violated Due Process failed to give notice, and it is not rule or policy. Defendants has placed the burden on the Plaintiff and or ~~Inmates~~ inmates to produce a receipt, when the Plaintiff or inmate has no control of that, the approved vendor or publisher is the sender of the books and that is all that is required

116 The defendant causing the Plaintiff and/or Inmates hardship by spending unnecessary money to ~~buy~~ the book and then forced to send the book back to Publisher or home and pay for mailing, making his chances without notice. Forcing Plaintiff or ~~Inmate~~ Inmates to produce receipts, and the name of the person who ~~sent~~ sent it. Forcing other inmates to buy books from Barnes & Nobles, and to not buy from Amazon, also by stopping the free books from coming to inmates, because free books never needed a receipt, and ordering books from

117 Amazon or Barnes and Nobles never need a receipt. Defendants are ~~Monopoly~~ Monopolizing the inmate industry and bought and sold books, in the book industry from the inside. This is why Defendants send 75% of the books back, majority Amazons books. These unlawful changes denies Plaintiffs and Inmates access to the carts to ~~order~~ order law books and other materials concerning rights. Defendants have taken all Plaintiff's books and he can't order none. This is constructive and actual violations.

118 There is no way to know if books are properly sent or if there not. Defendants can easily say the books don't have a receipt, and Deny Inmates access to the courts. There are sometimes when property or mail has been sent without Plaintiff knowing it came and left, No notice.

~~Inmate~~ 119 DonteZ Johnson has been denied to his legal books, Victor E. Guerrero has been denied his legal books, and he ordered from Barnes & Nobles and they didn't send a receipt the 8/27/19 Announcement says, that "Barnes and Noble always sends a receipt" McKinnell & Guerrero was denied these books, due to no receipt.

120 Defendants forced McKinnell to send his, Hand II ~~an~~ electric guitar home, without Due Process / Defendants claimed guitar was not permitted at RCT, due to the false Rule 17 charge and increase in security. RCT threatened to destroy guitar often.

121 Defendants at RCT Denies Inmates access to the Courts when when they call inmates to the library 20 - 30 minutes late every time ~~an~~ inmates have ^{Law} library, Subtracting more than one hour from sixteen hours and fifteen minutes a month. RCT Defendants by closing the yard takes entire Law Library Sections, hours at a time. Defendants interfere with the Law Library by running store or other activities at the same time of law library making the inmate miss his law library time or having to choose between law library or shower or other activity.

122 ~~This denies Plaintiff or inmates~~ This denies Plaintiff or inmates access to the Law Library and most importantly access to the Courts. RCT Lacks the capacity to care for the or maintain the over crowded population of inmates there is only one library Law Library, for both sides of the institution, because over population, more rule of law and discipline is used on inmates because of over crowding this is cruel and unusual punishment, and Denial to access the courts.

123 Defendant Bonnie Morsan has also denied Plaintiff McKinney access to the Courts when it provided LexisNexis ~~the~~ to the Plaintiff inside his cell on his/ the GTR tablet for immediate use at anytime, for research, case law, rules and procedure, and deprived Plaintiff his right to access the Courts and Due Process, when it suspended access to Lexis without immediate or adequate notice, and due to unforeseen circumstances that gave ~~any reason no person~~ no legitimate reason for taking this right from McKinney and/or inmates. This right was taken while McKinney's was in preparation of this civil action. While Lexis Nexis in the law library is very limited. Today law library was closed ~~due to COVID-19~~ March 12, 2020. This Civil action has been Impeded by the defendant's through and through from the time of the incident or event. ^{and} Defendant has played an effective role in preventing the Plaintiff from filing an effective action or perfecting this action every step of the way.

124 Again on March 12, 2020 Defendant Morsan denied McKinney access to the courts, when it denied Plaintiff McKinney access to books. Defendant Morsan sent McKinney a "notice of an unauthorized item received" and a letter from assistance chief counsel regarding book orders: Book Donations (FreeBooks) But this letter was an ~~s~~ altered or Amended version, with omissions and ~~additions~~ additions. (ie; different from the 6/27/19 JAR Pax on Kiosk). Defendant ~~has~~ has failed to give notice of the senders, Name or Person, or business, or publisher, title of book or item. Defendant has labeled the item ^{Nuisance} contraband because of no receipt. See Paragraph 109-120 Defendant denies Plaintiff access to the Courts demanding receipt from Plaintiff or Inmates.

125 Defendant Paddock committed theft, theft by extor-
tion, extort, hate credit practices, Larceny/or by theft. When
it charged Plaintiff - McKinney's Debit account for his Per-
sonal Property then conspired and took, encroached, Encum-
bered the rights and or personal property in violation of
of 18 USC 241-242 18 USC 1985, 18 USC 872, 18 USC 641

Rule(s) Violated: 51 Possession of contraband, including any article knowingly possessed which has been altered or for which permission has not been given		

Supporting Facts (Describe what occurred and how the inmate violated the rule[s]):

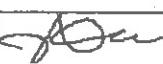

On the above date and time a pack up was conducted on inmate McKinney A519194 by myself due to inmate being over the limit in property. DRC59-LEG-01 states: General and personal legal materials shall be maintained within the inmate's overall 2.4 cubic feet property limitation as provided in Administrative Rule 5120-9-33, Packages and Property Restriction, and applicable institutional policies. General legal materials (General Legal Materials, defined as-items such as law books, formbooks, photocopied research materials, blank legal forms, and stationery), are subject to the general possession limits applicable to books, law books, stationery, or writing materials, etc. as provided in Administrative Rule 5120-9-33, Packages and Property Restrictions, and Department Policy 61-PRP-01, Offender Personal Property, and applicable institutional rules and policies. So per DRC policy the books in inmates possession must be included in 2.4 property, and are not exempt as legal material, making the excess books possessed by inmate McKinney contraband, and inmate in violation of rule 51 possession of contraband. Inmate also had 2 towels, 1 pair sweat pants that were altered, 2 pairs of socks over limit, 1 state shirt over limit, 1 pillow over 2.4 limit.

Information received from ODCR Assistant Chief Counsel regarding book orders:

Book Donations (Free Books)

All ODCR Institutions will accept donations that are donated to the institution (not to a specific inmate). Printed material cannot be donated to a specific inmate without prior approval of the managing officer. All printed material is subject to security screening. Basically this means no more books from Doris Press, Red Bird, Appalachian Books to Prisoners, etc.

Books from vendors – Pay attention to this – it's a big change from what we do now!

The person ordering books must be on the inmates approved visiting list. They person ordering may be prohibited from ordering if (1) the individual is removed from the approved list (2) material ordered by the individual is found to contain contraband (3) the individual repeatedly sends excluded printed material after being advised that the material is not allowed.

All books are subject to security inspection and review.

The printed material must be sent directly by the publisher and the package must include a receipt including the order number, the items purchased and who purchased the items. This is a big issue. 75% of the books that come in do not have a receipt. The majority of books ordered from Amazon do not have receipts. If ordering from Amazon, remind your family/friends to have them request a gift tag that includes their name. All orders from Barnes and Noble and Edward B. Hamilton include receipts.

Purchaser can send a screenshot of the receipt thru Jpay or a copy of it the US Mail. However, if the book comes in without a receipt, you will receive a contraband notice and have 10 days to get the receipt to the mailroom.

M.S Bradley, ~~Sorry~~ Sorry to interrupt your
schedule. But I am in need of my personal
legal material. I need to go through both of
my boxes to search for the relevant materials
for my up coming legal battles. Which include
Hebeas corpus / New trial motions with leave
and other legal matters. I have never been in
the hole before, and I don't understand what's
going on. But if I could get my legal mistakes
it may be helpful, because at this time I am
running late on my filings because I'm in the
hole for the wrong persons. Due to no fault of my
own. Please respond soon thank you.

Thank you for stopping to speak with me Anthony L. McKinney S19-194 Lock B cell 32 Assignment Administration. I am seeking to resolve incident 3-18-2019 reference to documents, Rule 17 Admin code S120-9-37. I would request to speak with you and the warden face to face to resolve anything unresolved and to understand your position as to what can be accomplished between us. And to understand what you do not want me doing on these computers so this never arises again.

I am willing to stop the process that I had originally started and void the whole process. I would like for both parties to return back to their original position, for me that would be in general population with a clean slate ~~and~~. I would clear any of the party's named, and I would do that by my own hand, either kiosk or paper. I would simply request that only the documents case # OS CL-10-7130 trial case papers be returned to finish my criminal case. I do not want to squander this opportunity. If there is something you do not agree with please let me know when we meet, if we meet. Or through writings, at the least. My practices of Corporate, Business Law and Religion, I will not practice on your computers. That's what that was. I wish to resolve this, if possible immediately. Thank you for your time. My NAME is Donbez Johnson and I am a witness

I am a witness that Mr. McKinney and inmates
at Ross Correctional Inst. have been denied legal books

a new rule without putting prisoners ON NOTICE of
the changes, that the person sending the book must
be ON the prisoners approved visit list. Book must be

receipt including order number, items purchased and
who purchased the items. These rules are NOT policy

on August 27, 2019 7:25 A.M. from ODRC Assistant Chief
Counsel, title Book Donations (Free Books). This
announcement was informed the same day August
27, 2019. This is violative of constitutional rights. There is
no way to determine if the institution received

(2)

a receipt from the visitor. The institution can easily say they did not receive one with the book to deny the prisoner legal books and access to the courts. As R.C.I. has recently done to Mr. McKinney. But Federal inmates are not forced to deny inmates books that are sent from an approved vendor or publisher which is a clearly denial of the equal protection clause of the 14 AMENDMENT of the United States Constitution. Because that would be showing favoritism to federal inmates over state inmates. Which our CONSTITUTION forbids. And federal are allowed to receive free books also. Which be showing favoritism to federal inmates over state inmates which is forbidden by our CONSTITUTION. "our CONSTITUTION prohibits favoritism or preferential treatment one person over another or a group of inmates over another." This is what our CONSTITUTION GUARANTEES ME. WHICH IS CLEARLY BEING DENIED.

The institution can easily say they did not receive one with the book to deny the prisoner legal books, and access to the words. As P.L.I. has recently had to make order a business law book for myself and Mr. McKinney to work out of for a upcoming 1983 Action of his. As it specified in the Amendment on August 27, 2018 I ordered the book from Barnes & Nobles because it always sends a receipt with the book. I was still denied access to the legal book. Because "the receipt" was not provided is what they claim. The announcement stated that Barnes & Noble always send the receipt in B&N writing also states that 75% of books that come do not have receipts. This implies they are returned, also the stated Amazon does not have a receipts, implying not to buy from Amazon and by from Barnes & Nobles. These practices must be stopped. Mr. McKinney is denied legal books, and is limited who he can order books from.

I AM COMPETENT TO TESTIFY TO THE FACT'S RELATED HEREIN, FOR WHICH I HAVE DIRECT KNOWLEDGE THAT ON OCT 29TH 2019. WE WERE ESCORTED TO THIS GYM AT ABOUT 8:00AM. WE WERE STRIPPED DOWN & SEARCHED & AT ABOUT 12:00PM. WE WERE SENT BACK TO OUR DORM. WHEN WE GOT BACK TO 4A ALL OF OUR BELONGINGS WHERE SCATTERED EVERYWHERE. UNOPENED COMMISSARY WAS OPEN & SQUIRTED ALL OVER THE FLOOR & ON THE BED'S. SOME INMATES WERE MAD BECAUSE THEIR T.V.'S WERE NO LONGER WORKING, WHICH WE FIGURED THAT THE C.O.'S THAT ALSO PUT ON THE SRT. UNIT PUT WATER IN THESE T.V.'

When I went to MR. McKinney's cell all of his paperwork was thrown everywhere. Some of his legal paperwork was ripped up & some pieces were in the toilet. We were locked down at about 12:30pm, with out the proper tools to close our cells up. Then about 11:00pm we were called to chow. When we got to chow only two rows were filled up because they did not make enough chicken patties. They realized the first two row to go back to the Block (4A) Me (Marcus James 733-602) & Mr. Cunningham were walk back to 4A when a woman C.O. came out of the tie shack cursing & calling us name's & then asked us where we were going. We said we had just come from chow & we are going to our dorm. She then said we better get there before we find ourself's in 9house. Mr. Cunningham was going to respond. I stopped him from responding & kept walking. We got away from her & I said damn we doing what we supposed to be doing & we still get talked to like we aint shit. Then a C.O. said I suggest yall shut the fuck up. We looked at him & I said damn where he

comes from. Then he told me to stand by the tie shack while he took a dog back to 3 hours. When he came back he had me walk with him to where the vault is, but he had me stand AGAINST the wall. Then when he came out he had me move down by the Barber shop while he just stood around watching the people cut down the trees. Then at 2:30pm he took me in the back room in the Capt. office called me a NIGGER! told me he would kill me! then he assaulted me with his hands & his feet.

THE FOREGOING, IS TRUE AND CORRECT.

My name is Anthony Sheeks and I am a witness in the above captioned case. I am competent to testify to the facts related herein for which I have direct knowledge.

I am Mr. McKinney's neighbor and saw how bad his cell was tore up. His paperwork was scattered everywhere and it was to the point of pure disrespect. Normally his paperwork and other materialistic items are organized because he does legal work. This incident mixed a lot of his stuff up to the point it had to put him behind if he was dealing with deadlines.

This specific SRT shakedown was pure destruction to the point our unit was almost targeted. The way it was tore up and trashed there is no possible way they could of found anything. If SRT is shaking down in order to find the contraband that's a risk to security they have to be very meticulous in order to be effective. Otherwise its a waste of the states money because all their doing is being disrespectful to us by being so destructive to the items we are allowed to have. I've been down 12 years and this specific SRT shakedown wasn't a shakedown, it was a pure facdown. These are the facts I personally witnessed and the world we live in being incarcerated in the Ohio Department of Rehabilitation and Corrections. Something needs to change.
